

## Exhibition Opatija Riviera on Plans and Maps

Opatija, November 25–27, 2010

The exhibition *Opatija Riviera on Plans and Maps* was prepared within the 2nd Croatian NSDI and INSPIRE Day and the 6th Cartography and Geoinformation Conference. The exhibition was organised by the Croatian Cartographic Society, and the co-organizers were the Head Office and the Branch Office Opatija of the Regional Cadastral Office Rijeka of the State Geodetic Administration. The exhibition was set in the Congress Centre Tamaris of the Milenij Grand Hotel

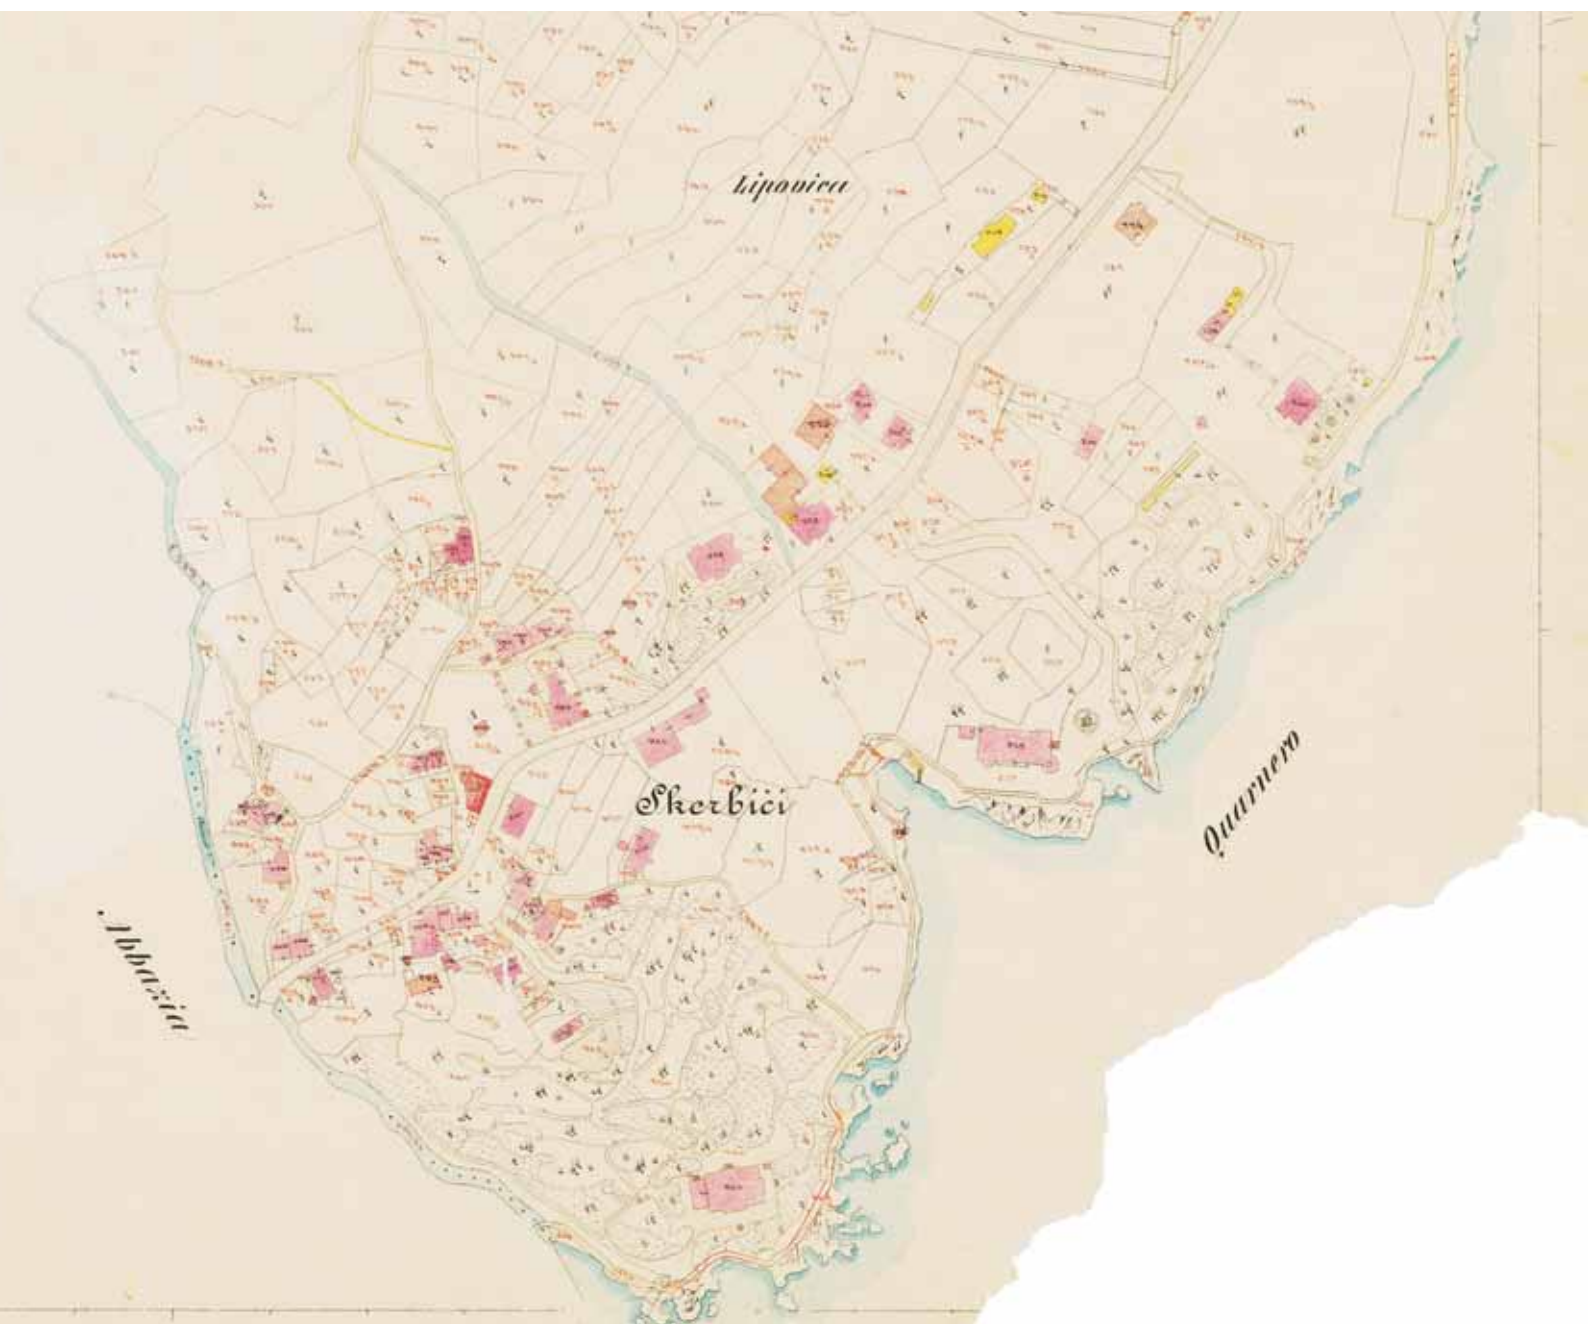

4 opatijska cvijeta in Opatija, and it could be seen on November 25–26, 2010.

Miljenko Lapaine gave the idea for the exhibition, while Ivka Kljajić designed and set the exhibition and compiled the exhibition catalogue. About thirty reproductions of maps and plans of Opatija and the Opatija Riviera were exhibited – from cadastral maps produced in the second half of the 19th century to the latest maps. Copies of the cadastral

maps were presented whose originals are kept in the Branch Office Opatija of the Regional Cadastral Office Rijeka of the State Geodetic Administration and sheets of official plans and maps from the Head Office of the State Geodetic Administration.

The exhibition catalogue is available at the web site of the Croatian Cartographic Society ([www.kartografija.hr](http://www.kartografija.hr)) in the Exhibitions section.

## Izložba Opatijska rivijera na planovima i kartama

Opatija, 25–27. studenoga 2010.

U sklopu 2. hrvatskoga NIPP i IN-SPIRE dana i 6. savjetovanja Kartografija i geoinformacije priređena je izložba *Opatijska rivijera na planovima i kartama*. Organizator izložbe bilo je Hrvatsko kartografsko društvo, a suorganizatori Središnji ured i Ispostava Opatija Područnog ureda za katastar Rijeka Državne geodetske uprave. Izložba je bila postavljena u Kongresnom centru Tamaris Milenij Grand Hotela 4 opatijska cvijeta

u Opatiji, a mogla se pogledati 25. i 26. studenoga 2010.

Ideju za izložbu dao je Miljenko Lapaine. Ivka Kljajić je oblikovala i postavila izložbu te sastavila katalog izložbe. Na izložbi je bilo postavljeno tridesetak reprodukcija karata i planova Opatije i Opatijske rivijere – od katastarskih planova izrađenih u drugoj polovici 19. st. do najnovijih karata. Prikazane su kopije

katastarskih planova čiji se izvornici čuvaju u Ispostavi Opatija Područnog ureda za katastar Rijeka Državne geodetske uprave i listovi službenih planova i karata iz Središnjeg ureda Državne geodetske uprave.

Katalog izložbe dostupan je na mrežnim stranicama Hrvatskoga kartografskog društva ([www.kartografija.hr](http://www.kartografija.hr)) u rubrici Izložbe.
